General Findings

Internally, our attention has been focused on opportunities to improve the quality and effectiveness of PNT Advisory Board meetings

Perceived PNTAB process shortfalls

Meetings cover too many things

Briefings too long

Need more dialogue with presenters

Need more time for internal discussion

Need to formulate realistic recommendations

General Findings

Externally, our attention has been focused on opportunities to improve the effectiveness of PNT governance within the U.S. Government

Perceived USG shortfalls

GPS/PNT leadership diffused

Insufficiently clarity regarding “PTA”

Lack of clarity on redundance

Need to attach a higher priority to PNT

Spectrum decision-making suboptimal
