ROUTING SYSTEMS OTHER THAN TRAFFIC
SEPARATION SCHEMES

New areas to be avoided

1 At its fifty-seventh session, the Maritime Safety Committee (MSC 57/27, paragraph 10.2.4) adopted, subject to confirmation by the sixteenth Assembly in accordance with the provisions of resolution A.377(X), the attached two proposed areas to be avoided "In the region of the Aldabra Islands in the Seychelles" and "In the region of Mahe Island in the Seychelles".

2 The new areas will be implemented at 0000 hours UTC on 5 October 1989.

W/9488y/EWP

ANNEX 17

NEW AREAS TO BE AVOIDED

- 1 IN THE REGION OF THE ALDABRA ISLANDS IN THE SEYCHELLES
(Reference Chart: British Admiralty 758 July 1965 Edition)

Description of the area to be avoided

In order to avoid risk of pollution and damage to the environment in this area of unique wildlife, all vessels of more than 500 gross tons carrying cargoes of oil or hazardous materials should avoid the area contained within a circle of radius 30 nautical miles, centred at geographical position 09°36' S., 46°21' E.

- 2 IN THE REGION OF MAHE ISLAND IN THE SEYCHELLES
(Reference Charts: British Admiralty 721 September 1983 Edition
British Admiralty 740 July 1980 Edition)

Note: These charts are based on South East Island Datum

Description of the areas to be avoided

In order to avoid risk of pollution and damage to the environment, all vessels of more than 200 tons gross tonnage, whether or not bound for ports in the Seychelles, should avoid the area bounded by lines connecting the following geographical positions:

(a) West of Mahe

.1	04°40.8' S.,	55°32.2' E.
.2	04°49.5' S.,	55°34.5' E.
.3	05°06.8' S.,	55°08.5' E.
.4	04°42.0' S.,	53°52.0' E.
.5	04°00.0' S.,	54°22.0' E.
.6	03°40.0' S.,	54°58.0' E.
.7	03°40.0' S.,	55°25.0' E.
.8	04°33.5' S.,	55°25.9' E.

thence along the low water line on the west and south-east coasts of Mahe to the point of commencement; and

(b) East of Mahe

.1	05°10.0' S.,	57°13.0' E.
.2	05°50.0' S.,	57°00.0' E.
.3	05°50.0' S.,	56°24.0' E.
.4	05°12.0' S.,	55°36.0' E.
.5	04°49.0' S.,	55°41.5' E.
.6	04°31.0' S.,	55°40.0' E.
.7	04°26.0' S.,	55°32.0' E.
.8	03°42.0' S.,	55°38.0' E.
.9	03°45.0' S.,	56°02.0' E.
